🔒 TRUST COMPOUNDS

We are building an institution that will exist for decades. Our readers trust us — and that trust is more valuable than additional advertising revenue. That's why we are selective about who we partner with, and why we limit sponsorships.

✓ A PARTNERSHIP, NOT AN AD

Your company is introduced as a trusted resource — recommended to owners who are actively looking for solutions. You don't interrupt the reader. You become the answer they were searching for.

★ Only 2 slots per issue. Claim yours.

Once your category is claimed, it's locked for that issue — your competitor can't appear beside you. Reserve your July Founding Partner slot before it's gone.
